The Board of Visitors met four times, while the Selection Committee met three times during its tenure. Copies of the proceedings of the meetings of the Board of Visitors are forwarded to Government from time to time so that Government may know what business is transacted by the Board at these meetings. I invite a reference to G.O.No.1779, Development, dated 14th July 1939, No. 1602, Development, dated 9th July 1940 recording the proceedings of the meetings held during 1939 and 1940. Sir,

Subject: Government Industrial School, Bellary - Board of Visitors - Reconstitution of -

Reference: Government Memorandum No.9845-D/41-2, dated 26th May 1941.

Since writing my letter No.820-C/41, of date, I have received a reply from the Collector of Cuddapah on the subject and enclose a copy of it. It will be seen that the Collector is not in a position to recommend any suitable person to serve on the Board of Visitors. In the circumstances, Mr. T.Tiffin seems to be the only choice if it is desired to nominate a member for the Cuddapah district.

I have examined the suitability of nominating the persons suggested by some of the Tahsildars in my district. They do not possess proficiency or knowledge in any industry or craft. They have not also any knowledge of English. There are no prominent industrialists in this district. I do not therefore suggest any persons for being nominated as members of the Board.

I forward herewith a letter No.D.Dis.5412/41-B-1 dated 26th November 1941 received from the Collector of Bellary in reply to the Government Memorandum quoted above. It will be observed that the Collector has suggested the re-appointment of Sri B.Bheema Rao and Sri D.Govinda Rao, Advocates of Bellary for a further term of three years and has suggested the appointment of one Sri S.Ramasamy Naidu, Chief Agent of Bombay Co.Ltd., Bellary and member of the District War Committee, in the place of Khan Sahib Abdul Wahab Sahib Bahadur, the third non-official member.

2. In Mr.Green's letter No.820 -C/41 dated 3rd April 1941, the following recommendations were made in regard to the appointment of the three non-official members.

(i) Sri S.Bheema Rao, to continue for a further period of three years.

(ii) Sri D.Govinda Rao, to be replaced by Sri G.Thimmappah, as the former did not attend the meeting of the Board regularly, and

(iii) Khan Sahib Abdul Wahab Sahib Bahadur to be replaced by his son Janab Mohammad Ghouse, as the former has become old.

But as Government desired that the non-official members must have some connexion with industries, revised recommendations were submitted to Government in Mr.Green's letter No.820-C/41 dated 23rd August 1941 after consulting the Collectors of Cuddapah, Anantapur and Kurnool, and the following persons were suggested for appointment as non-official members.

(i) Mr.Tiffin of Cuddapah district.

(ii) Sri G.S.Muneappa Rao or Sri T.Jayakirthi of Anantapur district, and

(iii) Sri Rao Bahadur B.P.Sesha Reddi of Kurnool district.

3. Among the persons suggested now by the Collector of Bellary Sri S.Ramasamy Naidu seems to have some connexion with industry.

To Secretary

The Director of Industries & Commerce states that the Board of Visitors met four times during its tenure i.e. since 1-7-1938. The Selection Committee met three times. In G.O.No.932 Dev. dated 11-7-1932 it is laid down that the Board should meet at least twice a year. It has met only once during each of the years 1939 and 1940. It is for orders whether the D.I & C. may be asked to report why the Board did not meet twice a year as stipulated in G.O.No. 932 Dev. dated 11-7-1932.

2. The D.I & C. has stated that the Board of Visitors and the Selection Committee have been useful but has not reported specifically in what way they have been useful to the Government.

3. As regards the Advocate members proposed for membership, the Director states that they are influential members of the locality and take considerable interest in the working of the school. A point for consideration in this connection is whether membership need be restricted to persons living in Bellary town or district and whether the school will not derive more benefit if influential industrialists from other districts in the Ceded Districts are appointed to the Board. The School is the only institution run by the Government in the Ceded districts and if members from outside the district can be appointed, the field of choice will be wider but then the travelling allowance and daily allowance of members from outside Bellary will have to be borne by the Government. Such payment of T.A. to the non-official members has been ordered in the case of the Industrial

Extract of Secretaries orders on file relating to the re-constitution of the board of visitors to the Government Trade School, Mangalore.

It seems to me not desirable to have the D.I.&.C. as Chairman of the Boards of visitors to the Industrial Schools. The Chairman should be some one independent of the Department. I agree with D.I.&.C. in the nominations in paragraph 3 of the letter on p 2 cf. I know the non-officials nominated and they are quite suitable. Nos.5&6 are actually engaged on industrial enterprises. No.4 is a desirable person whose advice would be useful.

At present there is no regular system of visits. I would have a roster and have each of the 5 non-official members visit every month in turn and leave the Collector to visit whenever he likes. The Board should meet half-yearly, and may meet oftener if it desires. It should be open to the D.I. or the Joint Director (newly proposed) to attend the Board's meeting if he or the Board so desires.

*the post of Inspector of Industrial Schools is to be kept in abeyance.
